

# commehr – Google Reseller

Optimize and facilitate your collaboration with the Google platform Google Workspace and increase your productivity with customized applications. As a Google partner, we support you throughout the Google Workspace implementation process.

## Your Advantages

- Acquisition of the licenses directly from commehr, your Google technology and service partner
- Invoices are issued monthly by commehr. You can conveniently pay by direct debit or bank transfer. There is no direct debit from Google via credit card
- Inclusion in the reselling program means no additional work for you
- No binding contract: you can withdraw from the reselling program at any time

## This is Included

- Flexibility to the day: Down-/upgrade or termination of the licenses is possible at any time
- Independent handling: in the commehr Marketplace you can manage the licenses yourself and are therefore independent and flexible
- You will receive better and faster support from our team and our direct contact with Google

## Google Workspace for your Requirements

Communication  
(e.g. Google-Workspace,  
Calendar, Hangouts)

Cooperation
