

# commehr – Microsoft Reseller

Stay future-proof and work flexibly and efficiently with the cloud-based Microsoft Office 365 applications. Tailored precisely to your needs, the Office solution facilitates and optimizes your collaboration. We support you as an official Microsoft partner.

## Your Advantages

- Acquisition of the licenses directly from commehr, your Microsoft Gold Partner
- Invoicing is done monthly by commehr. You can conveniently pay by direct debit or bank transfer. The direct debit from Microsoft via credit card is no longer necessary
- Inclusion in the reselling program means no additional work for you
- No binding contract: you can withdraw from the reselling program at any time

## This is Included

- Full flexibility: depending on your needs, you can opt for an annual or monthly license subscription.
- Independent handling: in the netgo CentralHub you can manage the licenses yourself and are therefore independent and flexible
- You get better and faster support from our team and our direct contact to Microsoft

## Office 365 for your Requirements

Applications  
(Outlook, Powerpoint, Word,  
Excel etc.)

Services  
(Microsoft Azure and Exchange,  
Teams, SharePoint etc.)

## Benefit from our conditions

We oversee the implementation process of Office 365 in your company. Are you already using Office 365? Even then you can benefit from our reselling program - talk to us!
